The checkered paper could be a print or colorway.

Chicken and waffles is big, definitely incorporate that dish into either menu or some sort of item.

BUTTER, Sweet Chick is known for their special butter flavors, could play with that (Extra Butter), whether they literally get extra side of butter, a new EB flavor, etc.

Installation, rugged/woody bar feel

JACKIE R. quotes

"Above anything else, I hate to lose."

"This ain't fun. But you watch me, I'll get it done."

"I'm not concerned with your liking or disliking me... All I ask is that you respect me as a human being."

"I never cared about acceptance as much as I cared about respect."
